

BALLERS

OVERVIEW

A Web3 engagement venture powered by
\$BALR token.

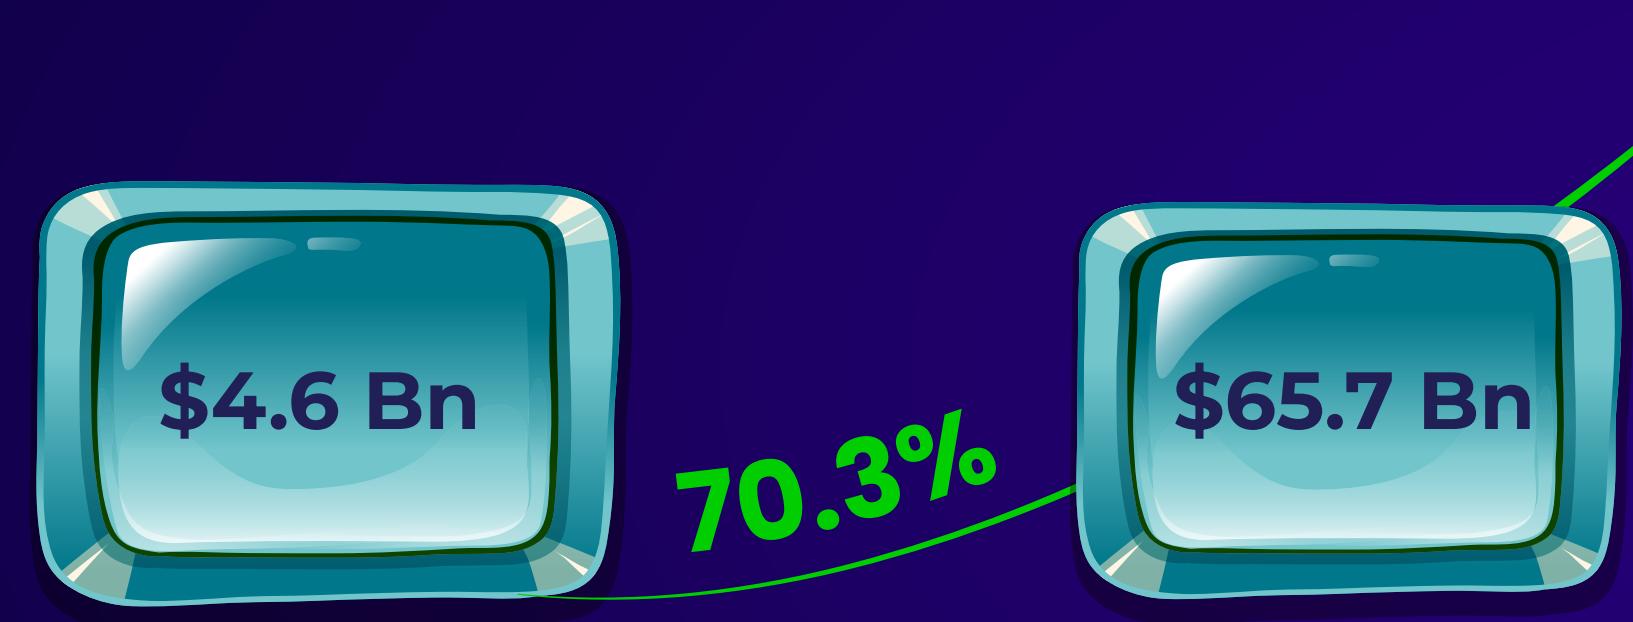

We are creating flagship Web3 games with different gaming genres with aim to address the issues that are currently plaguing the existing Play to earn games.

With Baller's, your pre-owned NFTs can participate in our games, earn rewards in \$BALR tokens, meet like-minded people, and get access to special events and parties by playing our selection of games.

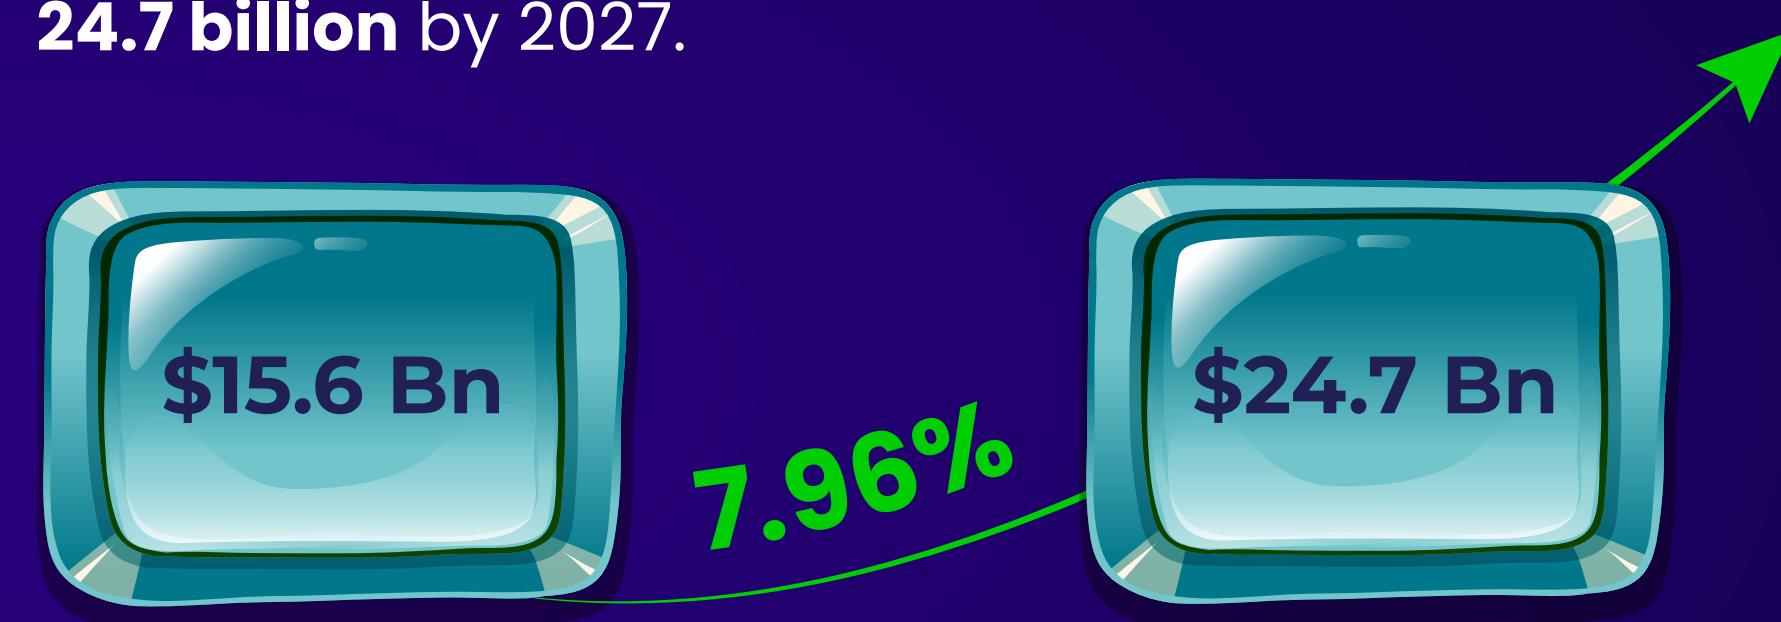

MARKET POTENTIAL

The global blockchain gaming market is expected to grow at a CAGR of **70.3%** from USD **4.6 billion** in 2022 to USD **65.7 billion** by 2027.

Ballers City aims to tap into a **5%** share of this market and expects a market size of **\$1 Bn** by 2025.

The hyper-casual gaming market, valued at USD **15.6 billion** in 2021, is anticipated to grow at a CAGR of **7.96%** over the forecast period and reach USD **24.7 billion** by 2027.

This is huge right? So what are you waiting for, jump in the Ballers City to experience this hell of a ride!!
